Welcome to Michigan's largest dental benefits family!

As a member of Delta Dental of Michigan, you have access to the nation's largest dental networks: Delta Dental PPO and Delta Dental Premier.

- It's easy to find a dentist! Four out of five dentists nationwide participate in our network.
- You have superior access to care and fee savings because of our agreements with participating dentists.
- Our dentists cannot balance bill you, which means more money in your pocket!
- No troublesome paperwork! Network dentists will fill out and file your claims.
- Pay only your copayments and/or deductibles when you receive care from network dentists -- there are no hidden fees.
- You can still visit nonparticipating dentists, but you may be billed the full amount at the time of service and then have to wait to be reimbursed.

Quality Dental Program

With our quick and accurate claims processing, we pay more than 90% of claims in 10 days or less. Delta Dental also offers world-class customer service from our Certified Center of Excellence call center, as awarded by Benchmark Portal.

Online Access

Our online Member Portal lets you access your dental plan securely over the Internet. You can find a dentist, check benefits, select paperless notices, review claims and amounts used toward maximums, print ID cards, and more -- all at your own convenience.

A Healthy Smile

Keep your smile healthy with dental benefits from Delta Dental. Your smile is a good indicator of your health. Did you know that your dentist can detect up to 120 different diseases, including diabetes and heart disease? Early detection is one of the best ways to prevent further complications.
